

To Parents of Junior members

The Board has agreed to provide a clubhouse key to junior members on the understanding that parents accept responsibility for the subsequent use of the key to access the clubhouse and the facilities provided in the clubhouse. Please note the clubhouse is not staffed and all under 18's entering must be accompanied by a responsible adult.

By signing and returning this note, you agree to accept the responsibility indicated above. In the hopefully unlikely event of any damage occurring as a result of the use of this key the Board may, at their discretion, request parents to make good such damage.
